

# SALENTO AVR 2018

5<sup>th</sup> International Conference  
on Augmented Reality, Virtual Reality  
and Computer Graphics

Otranto (Lecce), Italy · June 24-27, 2018

[www.salentoavr.it](http://www.salentoavr.it)

The 5<sup>th</sup> International Conference on Augmented Reality, Virtual Reality and Computer Graphics (**SALENTO AVR 2018**) offers a real opportunity to bring together the community of researchers from academia and industry, computer scientists, engineers, physicians in order to share points of views, experiences, know-how and technical results related to virtual and augmented reality applications, 3D visualization, computer graphics, human-computer interaction, games and serious games.

**SALENTO AVR 2018** solicits the submission of original contributions in the following areas:

- medicine
- cultural heritage
- arts
- education
- entertainment
- industry
- military and space

**SALENTO AVR 2018** provides also the opportunity for companies, government organizations and academic institutions to showcase VR-related products such as hardware, software, integrated systems, peripherals, innovative solutions and whatever could be of interest to conference participants.
